

SUMMER READING CLUB

READING LOG 2018

For your chance to win the major prize draw, you must read or listen to ten books or for ten hours and record the book titles on the log below. When you have filled all ten spaces, neatly fill out your name, age and phone number and take your completed Reading Log to the library. The more you read, the more often you can enter. Collect tattoos, stickers, and bookmarks as you go and don't forget to pick up another reading log for more chances to win! Major prize draw of an iPad Mini will be drawn at your Summer Reading Club Party in February.
