

# #RecycleRight

Keep it simple. Keep it clean. Keep it coming 'round.

with **SCRATCH**

#RecycleRight with Scratch coding these school holidays, and have fun teaching your community to recycle!

Meet up with local coders to program games & animations aimed at educating & supporting your local community to #RecycleRight.

Create a game or animation that shows how to recycle. It could be a rubbish zapping game, or a chat with a recycling bin, it's completely up to you!

The best projects will be embedded on both the Richmond Tweed Regional Library and Tweed Shire Council websites for our community to see and play.
