Author Event

Meg Heggen

Meg Heggen is a child of the fifties born in Sydney. She is currently living an idyllic life, sharing a tropical garden with a schizophrenic son in far northern NSW.

Meg writes as a grandmother and carer in her sixties with an experienced view to cultural issues.

"Sharing Voices" is an account of the life of a young man, Meg's son. Meg uses personal accounts, blog posts and diary entries to unfold the story of her son's dysfunctional life. It explores how his family has fractured and how he has been burdened by schizophrenia/schizo-affective disorder and major depression.
